JULY BIRTHDAYS

In astrology, those born July 1–22 are Cancer's Crabs. Crabs like to retreat into their "shells" and enjoy spending time at home. They nurture deep relationships and become loyal friends. Those born July 23–31 are Leo's Lions. These "kings of the savanna" are natural-born leaders, full of creativity, confidence, and charisma. Leos use their generosity and sense of humor to unite different groups into a common cause.

JULY FUN FACTS

1. July was named after the famous Roman general Julius Caesar by the Roman senate; as it was the month he was born in. Julius Caesar was a formidable military general and statesman who was largely responsible for changing the Roman calendar previously called Quintilis (Latin for fifth) as it was the fifth month of the 10-month-long ancient Roman calendar Republic into the Roman Empire. The month was previously called Quintilis (Latin for fifth) as it was the fifth month of the 10-month-long ancient Roman calendar.
2. As the second month of Summer, July is, on average, the warmest month of the year in the northern hemisphere. Its southern hemisphere equivalent is [January](#).

Happy Birthday America

On July 4, 1776 we claimed our Independence from Britain and Democracy was born. Every day thousands leave their homeland to come to the "land of the free and the home of the brave" so they can begin their American dream.

Each year on July 4 Americans celebrate that freedom and independence with barbeques, picnics, parades and family gatherings. The holiday was first observed in Philadelphia on July 8th, 1776 at which the Declaration of Independence was read aloud. It was declared a legal holiday in 1914.

Our Land Of Liberty

Liberty gives us freedom
It can guide us by God's might
It can also by self wandering
Follow paths of darkest night!
Virtues learned in childhood,
In our land ("God we Trust")
For America, The Beautiful
To be strong, it is a must
Let not fun and pleasure seeking
Harm our body and soul
But find joy on work and laughter
Pure in love to make us laughter!
We thank our founding Fathers
For the firmness of resolves
That our nation, strong and mighty,
By moral rightness must be trod!

"America was not built on fear. America was built on courage. On imagination, and an unbeatable determination to do the job at hand".
