## January Horoscopes and Birthdays

In astrology, those born from January 1–19 are Capricorn's Goats. Patience, perseverance, partnership, and dedication help ambitious Goats climb to the highest of heights. Those born from January 20–31 are the Water Bearers of Aquarius. Although they bear water, Aquarius is an air sign, signaling that they are innovative, progressive, and rebellious. They nurture and support new ideas.

## SPOTLIGHT RESIDENT

John Devine

**John Devine has three beautiful children, eleven grandchildren and two great grandchildren and was married for 73 years. John favorite things to do is play bingo, exercise, watch the Phillies and Eagles games. In John younger years he played football as a quarterback and later served in World War II. John loves to indulge in his favorite dish of mash potatoes, prime rib, cream corn and apple pie as a dessert. Having John at Allegria At The Fountains is such a delight.
