With so many new residents joining Allegria At the Fountains Please take time out to greet a new face in the building. Smiling is contagious, and speaking may create a new friend.

## May Horoscopes and Birthdays

In astrology, those born from May 1–20 are Taurus' Bulls. Bulls are reliable workers who take a slow-and-steady approach to finishing tasks. They do expect a reward for their hard work and love little indulgences. Those born from May 21–31 are the Twins of Gemini. Energetic and spontaneous, Geminis are great at connecting with others, making them ideal candidates for networking and sales.
